

# **EDC /MSME**

## **(Academic Year 2022-23)**

An Entrepreneurship Development cell in association with Industry Institute Partnership Cell (IIPC) is established in the college to guide and make the students aware about the opportunities in self-employment and also promote entrepreneurship amongst the technical and the management students. It is to focus on the fact that the students should become employers but not simply employees. This needs awareness skill development and opportunity finding along with financial and other feasibility issues. Entrepreneurship is increasingly recognized as an important driver of economic growth of a country. Even Govt. of India has recognized the importance of entrepreneurship and has introduced programs like "Make in India" & "Start-up India". The aim of Entrepreneurship Development Cell (EDC) is to develop and strengthen entrepreneurial qualities in the budding professionals who are interested in starting their own ventures. Hence an Entrepreneurship Development Cell was constituted with a dedicated team of actively working faculty who has an industry exposure along with some student representatives.
