

R & D Consultancy

(Academic Year 2022-23)

R&D Cell co-ordinates sponsored research, collaborative research and industrial consultancy projects at Guru Nanak Institutions. Through such projects, Institute is strengthening the R&D capabilities of the faculty and students and participates in Industries problem solving. Institute has experienced academicians and researchers from various R&D units of the country. In making our vision and mission a reality, Institution has taken the initiative to promote innovations of faculty and students and collaborate with Industries for mutual benefit. Committed to excellence in fundamental research as well as the development of innovative technologies for the future, Institution offers a quality research training experience for its students. Research and Development (R&D) activities are conducted in which both the students and faculty members are equipped.
