(Academic Year 2022-23)

Hostel stands as a strong support system for the students' academic journey in the college. Hostel is the second home for those staying away from their native and families. We ensure a healthy and peaceful stay to students in our hostels. The scenic panorama of our college presents positive vibes to the students who are going to make their future with a wonderful memory of staying in hostel. The separate hostels for boys and girls accommodate over 2000 students. Each room is provided with a cot, a table, a chair, a bookshelf and cupboard. Residents cannot move the furniture or fittings from one room to another. Private cooking in the rooms is prohibited. Hostellers avail all the necessary facilities such as Wi-Fi internet, gymnasium, laundry, and a television. Besides, they can attend Yoga sessions under the expert guidance of trainers.
